Gauthier Chatel, France

I was a student of Maria, Ruslingua School in Saint Petersburg, unfortunately only for one week, but it was a great start with Russian language for me!! Maria is very kind, patient, professional, and has a lot of passion for her work. She has a very positive attitude and a great mood, so the class is at the same time useful and entertaining. She is a high quality teacher, and I recommend Maria from Ruslingua School to anybody!

Paolo Crispino, Italy

I take Online lessons in Ruslingua. My teacher Mariya is really a perfect one. Skype lessons with her by distance help me a lot improve my knowledge of Russian. Beside the time on Skype she answers my messages in Russian and corrects my homework. She is very friendly and helpful - and I am always looking forward to the next lesson. If you like to learn Russian fast and professionally in a perfect environment, I can definitely recommend Mariya from Ruslingua School.

Gunthard Orglmeister, Switzerland

Maria from Ruslingua School, Saint Petersburg is a fantastic teacher! As a monolingual Australian, I was very worried about my ability to learn Russian, but Maria has made the impossible possible and I am making satisfying progress. It is obvious that Maria is a seasoned hand at guiding students through the process of learning Russian. I appreciate her structured , and well thought out approach to lessons. Maria always has a clear explanation for a tough concept or a helpful mnemonic to help you remember. Learning Russian in Ruslingua with Maria has been a satisfying and enjoyable adventure, and I look forward to many future lessons. Thanks Maria!
